

SUMMARY

IT support professional with 7+ years across Tier 1-2 helpdesk and system administration, including **leading IT projects and escalations, mentoring support staff, owning the knowledge base, and reporting service KPIs**. Strong across **Windows, Office 365, macOS, Active Directory / Entra ID, endpoint security, patch management, backup & recovery, and PowerShell automation**. Comfortable running day-to-day helpdesk operations, hardware/software procurement input, and continuous-improvement of support processes.

SKILLS

- **Team & operations:** coaching/mentoring support staff, escalation ownership, KPI/metric reporting, SLA & ITIL incident/problem management, process improvement, KB ownership, asset & procurement tracking
- **Systems:** Windows 10/11 & Server 2012 R2/2016, Office 365 (Exchange, SharePoint, Teams), macOS, Google Workspace (working knowledge)
- **Identity & security:** Active Directory & Entra ID, GPO, MFA, patch management, endpoint security, enterprise backup & recovery
- **Networking:** VPN, TCP/IP, DNS/DHCP, Wi-Fi, basic routing & firewall
- **Automation & tooling:** PowerShell, ServiceNow, TOPdesk, Freshdesk, remote-support tools

EXPERIENCE

IT Support Analyst / System Administrator - Amazon | Aug 2021 - May 2025

- Led critical IT tasks, escalations and recurring-incident root-cause work; drove fixes that improved SLA adherence and first-contact resolution.
- Mentored junior support staff and standardised troubleshooting through KB articles and documented procedures.
- Tracked and reported service metrics; proposed and implemented workflow changes to improve helpdesk efficiency.
- Administered Active Directory and Windows Server (users, groups, GPO); ran patch management and endpoint-security compliance.
- Managed Office 365 (Exchange, SharePoint, Teams), including shared mailboxes and distribution lists.
- Built PowerShell automation for provisioning, monitoring and routine tasks.

Independent IT Consultant - Freelance | May 2025 - Present

- Led Microsoft 365 / Teams / endpoint-security rollout for 150+ remote users (DigiWave Consulting).
- Led on-prem AD -> Entra ID migration with zero user downtime (ByteCore Technologies).
- Delivered PowerShell provisioning automation that shortened onboarding (NexaSoft Systems).
- Improved ServiceNow workflows to speed ticket resolution (CloudBridge Solutions).

Service Desk Engineer (Client: Intel) - Infosys / Shell Infotech | Aug 2020 - Aug 2021

- Tier 1-2 support to global users; handled escalations and SLA compliance; built KB content that improved team response times.

Network Service Engineer - Atos India | Mar 2020 - Jun 2020

- Installed/configured network equipment; firmware upgrades; capacity planning; outage diagnosis.

Customer Support Engineer - CMS IT Services | Jan 2019 - Dec 2019

- End-user hardware/software/application support; acceptance testing of client equipment.

System Engineer - Anupama Construction Pvt. Ltd. | Feb 2017 - Mar 2018

- Server maintenance, upgrades, backups; network/hardware troubleshooting; scripted and documented routine IT processes.

EDUCATION & TRAINING

- GNIIT, Cloud & Mobile Software Engineering - NIIT (2017); Diploma Hardware & Networking - NIIT (2016);

B.Com - VBU (2014)

- Training: Microsoft Azure / Entra ID administration (2021); Cisco networking coursework - CCNA/CCNP/CCIE Security (2020)
